TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING REJECTION

Dear Sir:

I, Douglas N. Larson, represent that I am a patent attorney of record for this application.

The extent of interest in this invention for which this disclaimer is being made is in the whole and entirety of this invention.

This application is assigned to Avery Dennison Corporation, 150 North Orange Grove, Corporate Center, Pasadena, California 91103. The assignment was recorded on reel 8831, frame 0463.

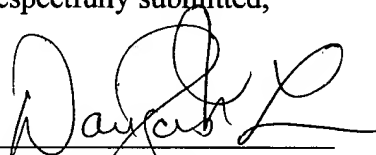

The terminal part of the statutory term of any patent granted on this application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 of United States Patent No. 5,853,837 ('837) is hereby disclaimed, except as provided below; and it is agreed that any patent so granted on this application shall be enforceable only for, and during, such period that the legal title to said patent shall be the same as the legal title to the '837 patent. This agreement is to run with any patent granted on this application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on this application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the '837 patent in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued in any matter or is terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

A check for \$110.00 (large entity) to cover the fee under 37 CFR 1.20(d) is attached herewith.

Any additional fees which are required in connection with this communication and which are not specifically provided for herewith are authorized to be charged to Deposit Account no. 16-2230 in the name of Oppenheimer Wolff & Donnelly LLP. Any overpayments are also authorized to be credited to this account.

Respectfully submitted,

Douglas N. Larson
